

HYDRAULIC PUMPS CPE-1-110

Electrically driven hydraulic pump, powered by a 110-115V / 50-60Hz single-phase electrical motor. The remote hand controller allows advancement and pressure release on completion of the crimping operation. The mechanically actuated emergency button located on the pump body, allows the pressure release at any time also in case of power shortage. This model is IP 55 rated.

HYDRAULIC PUMPS CPE-1-110

Technical characteristics

PROPERTIES

Height	18.98 in.
Width	8.78 in.
Length	14.65 in.
Weight	46.2 lbs.
Nominal pressure	10150 psi
Motor voltage	115 V
Motor frequency	60 Hz
